## **The TM Group Named for 9<sup>th</sup> Year as 2011 VAR 100 by Accounting Today In Recognition of its Consistent Record of Growth**

**Farmington Hills, Mich., September 1, 2011** – The TM Group, a leading provider of Microsoft Dynamics for Financials, ERP and CRM solutions since 1984, has been named to the *Accounting Today* **2011 VAR 100** list for the ninth consecutive year. The prestigious national list recognizes the top 100 value-added resellers (VAR) in the country specializing in mid-market accounting and business software.

“It is especially rewarding in this economic environment to be recognized for our 9<sup>th</sup> consecutive year by this prestigious publication”, said Judy Thomas, President of The TM Group. “We are very proud of our accomplishments over our 27 years and we thank our extremely talented team of software consultants and developers who make our clients’ visions a reality and to our fabulous Dynamics GP, SL, NAV and CRM clients who make everything possible. Our team’s phenomenal growth in the past year is a testament to our passion and commitment to our team and our client families”

The 2011 VAR 100 lists was just announced by Accounting Today and its online sister publication, WebCPA. The top 100 VARS are chosen from thousands of organizations that center their practices on the sale and implementation of mid-market accounting software. VARs are selected for the list and ranked based upon company and revenue size and growth from year to year, as well as the variety and value of the accounting software solutions they provide.

“The Accounting Today VAR 100 list is comprised of top accounting and ERP software resellers throughout the country, ranked by revenue,” says Seth Fineberg, Technology Editor of Accounting Today. “It has been an exceptionally challenging few years and this select group represents those in the world of accounting software resellers that are truly ahead of the pack and we are pleased to honor them in this special report.”
